2021 Annual General Meeting

Thank you to all who attended the 2021 Annual General Meeting (AGM)!

We hope that you are pleased with the progress that PDAC has made over the past year (we certainly are!) and look forward to all the things PDAC will have to offer in the future.

We are pleased to announce that in the AGM, the membership approved the proposed changes to the PDAC budget. These changes will come into play in the next few months. Please note that these changes WILL NOT influence member fee collection, where fees will remain as \$14 per paycheque.

Thanks to our VP Finance, Dr. Cameron Semper, for all their hard work on the budget!

Executive Elections

The nomination period for the 2021 PDAC Executive Elections also closed last week. Good luck all who were nominated! We are excited to see our candidates for the upcoming term!

Thank you to Keira Gunn for acting as Chief Returning Officer in these elections!

UCalgary Campus Health Measures

This week the University is bringing in [new campus health measures](#) with respect to Covid-19. We would like to reassure members that PDAC will continue to have regular and active dialogue with both the University's leadership team and with our post-secondary union colleagues around the province to help facilitate a safe return to campus with minimal stressors.

Please do not hesitate to send your concerns to office@pdacalgary.com, and we will do our best to address them in a timely manner. Until then, stay safe.
